2008 & 2009

We are always interested in hearing from artistic individuals, history custodians and professional artist who are looking for a venue to showcase their work, launch a book, or hold a special gathering.

For exhibits we can assist with:

- Installation and removal of work.
- Consultation services to help you market, promote and meet your goals.

Submission Criteria:

- Painting
- Photography
- Drawing
- Illustration
- Graphic Art
- Mixed-media
- Visual History Interpretations

Scope and Content of Work:

Preference is given to work that is reflective of Canadian content in subject and / or story.

Submission Guidelines for:

Artist:

Should provide a statement relating to the collection of work they intend to exhibit with accompanying CV or résumé.

Individuals:

At VL Custom Preservation House we believe that most people have an artistic talent that is why we are open to viewing work by individuals who meet our Scope and Content of Work criteria.

People / Family / Places Histories:

As part of our ongoing community outreach initiative we are continually looking out to showcase human interest stories through exhibits and provide the necessary support.

Whether you are a custodian, researcher / historian, or collector you may find a need to share, connect or celebrate by allowing us to host this endeavour.
